

## **NATIONAL CONSULTATION WORKSHOP ON THE GLOBAL FRAMEWORK FOR CLIMATE SERVICES (GFCS) ADAPTATION PROGRAMME IN MALAWI**

The Department of Climate Change and Meteorological Services (DCCMS) with its local partners namely the World Food Programme (WFP), the World Health Organization (WHO), Malawi Red Cross Society (MRCS) and Lilongwe University of Agriculture and Natural Resources (LUANAR), in conjunction with the World Meteorological Organization (WMO) in Geneva will host the National Stakeholders' Consultative Workshop for the Global Framework for Climate Services (GFCS) in Malawi. The workshop will bring together representatives from both the producer and user communities from the target sectors and target districts.

The purpose of the workshop is to identify the institutional and operational needs, gaps and capacities for climate services in the agriculture, food security, health and disaster risk reduction sectors in Malawi.

**Dates:** Monday, 9 – 11 June, 2014

**Venue:** Crossroads Hotel, Lilongwe
